

Easy - living Lucerne

It is our guiding principle to try and make the lives of our guests a bit more pleasant, less complicated and less stressful.

Our house has tenderly been fixed up and now appears in a more urban context. Our rooms exude a feeling of cosiness and at the same time an extra-ordinary urban flair. They are furnished classily and practically. The discreet design and elegant colours make a stay here absolutely enjoyable. Our offers differ in terms of extent and value and provide an ideal solution for any demand and any budget.
